

RESIDENT REFERRAL

# Refer a friend

# \$200

off your rent for every  
friend who moves in

## How it works

- 1 Tell your friend to come see the office.
- 2 They write your name on their application.
- 3 They move in. \$200 comes off your rent.

*No form, no code. Your name on  
their application is all it takes.*

You need to be a current resident in good standing on the day your friend moves in. The \$200 is a credit on your rent. One credit per new resident. Ask the office for details.
